Cooperative Program Sunday
April 25, 2021

The financial fuel for reaching every person for Jesus Christ in every town, every city, every state, and every nation.

Jesus said “Go therefore and make disciples of all nations...” Matthew 28:19-20
This is our Great Commission!

Motivated by the Lord’s command and the need of the hour, the **Cooperative Program** was created in 1925 during the Southern Baptist Convention meeting in Memphis. The **Cooperative Program** has stood the test of time and continues to grow and serve the cause of missions.

The **Cooperative Program** is all about giving Tennessee Baptists an opportunity to come together with others to connect people to Christ from down the road and around the world.

Is this happening in our churches? **YES!** What is so amazing is that together our churches are connecting people to Christ as never before.

But there is so much more to accomplish. It is almost like we are drowning in lost people. Tragically, millions have yet to hear the name of Jesus. The need for missions has never been greater. We believe Tennessee Baptists will, as they have in the past, meet the challenge of carrying out Christ’s Great Commission.
