March 6-13, 2022
Offering Goal: \$70 million

The Week of Prayer for North American missions is annually observed by SBC churches to pray for missionaries, their ministries and their families. Prayer is the fuel for spiritually sustaining missionaries in places where the gospel is greatly needed, but often opposed.

The Annie Armstrong Easter Offering (AAEO) is the primary way we support mission efforts in North America. **One hundred percent** of gifts given to AAEO are used to support more than 2,200 missionary families serving across the United States and Canada.

Every gift to the Annie Armstrong Easter Offering – 100 percent – goes to train, resource and send thousands of missionaries involved in church planting and compassion ministries across the United States, Canada and their territories. Our partnership with Southern Baptist Convention churches and individuals makes this work possible.
